8 tips to keep your dog calm

WALK YOUR DOG: Before dusk to tire them out

SHUT OUT THE OUTDOORS: Close blinds and curtains

CREATE A DEN: Make somewhere comfy and safe they can hide in

TRY CALMING PRODUCTS: For example calming shirts or calming plug ins

DROWN OUT THE NOISE: Turn up the radio or TV to mask the sound

KEEP THEM BUSY: Get your dog a new treat or toy, a LickiMat® or frozen KONG might help!

SECURE ALL EXITS: In the home and garden, a scared dog may try to escape

ENSURE THEY HAVE AN I.D. TAG and microchip details are up-to-date in case of escape
